

# URBAN PREACHING FOR LIFE CHANGE

*Bringing Hope and Healing in Times of Change*

**NOVEMBER 8-9, 2013**

at The Light House,  
New Prospect Missionary  
Baptist Church  
6330 Pembroke Ave  
Detroit, MI 48221

To preach the same way you always have will produce the same results within your church and the surrounding community. Discover the skills and gain resources to impact those you want to reach and produce lasting life change in your urban context.

A new genre of preaching has emerged that empowers both believers and unbelievers to identify where they are, where they want to be and what the next one or two steps of life-change might be as they seek to follow Christ. This conference will teach you how to identify the factors that motivate people to move to the next level of life-change.
