

## Richard T. Cartwright

Richard T. Cartwright PE, CHMM\*, CPIM\* is a Senior Vice President of MEC<sup>X</sup>, an innovative technology-driven company dedicated to providing cost-effective, unique “outside the box” solutions to difficult environmental remediation, professional engineering, and chemistry data validation problems.

He has an MBA in Operations Management from Indiana University, a BES in Chemical Engineering from Brigham Young University, and a Professional Certificate in Project Management from the State University of New York at Buffalo. Mr. Cartwright is an internationally-recognized motivational platform speaker and blogger on Soil & Groundwater Remediation, Hazardous Materials Management, Professional Networking, and Sustainable Career Development topics. He is a Past President of the Academy of Certified Hazardous Materials Managers (now the Alliance of Hazardous Materials Professionals).

He is a recipient of the prestigious “Pete Cook Founders Award” for distinguished lifetime leadership, dedicated service, and professional achievement within the hazardous materials management profession. He is a “Fellow” of the Institute of Hazardous Materials Management. Mr. Cartwright is the author of “Hazardous Materials Management 365 Days a Year” and the “CHMM Career Planning & Survival Guide”.
