2014

Restoring and Empowering Women of Faith

*Restoring and Empowering
Women of Faith*

"If there is any focus that the Christian leader
of the future will need, it's the discipline of
embracing the presence of God in our daily
lives through prayer and solitude. The greatest
question for leaders of the next century is: Are
we people who have an ardent desire to dwell
in God's presence, to listen to God's voice?"

Henri Nouwen
Guarantee
