**Guest Speakers: Ken & Lena Solbrekken**, District Superintendent of the Alberta & NWT District

**Ministry Experience:** Ken has been in full time ministry since 1984, serving in churches, itinerate ministry and for nine years as Director of Pastoral Care for the Alberta & NWT District of the PAOC. In April 2007, Ken was elected District Superintendent.

In 2004 while in the District office, Ken & Lena, together with a fine team of leaders, planted City Centre Church. The vision to be a church plant that plants churches was the driving force behind this dream. In four short years, City Centre Church assisted a church plant in Slovakia, began another church plant in Edmonton called, Urban Bridge Church from which emerged, EPIC, a plant on the University of Alberta campus.

Six years after the birth of City Centre Church, a multi-site called, City South Church began. At the heart of this vision is the desire to raise up the Next Generation of Christian leaders and to see a great harvest of Canadian's reached with the life-changing and life-giving message of Jesus Christ.

**Passion:**

To see the power and demonstration of the Holy Spirit today.  
To raise up and release healthy leaders into effective servant ministry.  
To see Ephesians 4:11-12 operating today with integrity.

**Fun Fact:** Lena was born in Africa, met Ken in the USA; we got married in Sweden, live in Canada and have three lovely daughters and one grandson.
