## AUCTION DONATION FORM

*Are you a professional? Do you own your own business or work for a business that could share its services and/or goods to help those in our community?* Temple Kol Emeth, Cobb County's oldest reform congregation, has been an active and involved presence in the Cobb and metro Atlanta area communities for over 30 years. This year, TKE is hosting the 5<sup>th</sup> Annual Lights of TKE Avodah Evening of Honor on April 20, 2013 at Temple Kol Emeth in Marietta. Lights of TKE is an annual event initiated to recognize dedicated members of our congregation. The evening will be highlighted by a gourmet seated dinner, top-rated comedy show, a fabulous upscale silent auction, and the bestowment of the TKE Avodah Award for Community Service to this year's recipients : Addie & Harvey Schneider and Henry Hene.

Funds raised by the event will help Temple Kol Emeth continue its tradition of providing valuable social services and educational programming to our area...resources that our community has counted on for over three decades. A portion of the proceeds generated by the event will be donated to the *NW Metro Atlanta Habitat for Humanity*. **Please consider supporting the auction portion of our upcoming gala dinner and fundraising event! Your donation and business name will be prominently displayed on our auction tables, and you and your company will be acknowledged in the evening's ad/tribute journal and program.** Your donation of services and/or goods will result in wonderful benefits to both our synagogue and our community at large. Some suggestions for donations: professional or consultation services, gift certificates and gift cards, goods of all kinds, vacation home or boat rentals, theme baskets, sporting/cultural event tickets. Be creative!
