

1ST ANNUAL AABE HOUSTON CHAPTER CHARITY GOLF CLASSIC - 2012

AABE - Houston Chapter
PO Box 132723
Spring, Texas 77393-2723

September 24th 2012

Dear Prospective Sponsor / Participant:

On behalf of the Officers, Committee Chairpersons, and members of the Houston Chapter of the American Association of Blacks in Energy (AABE) - We welcome you to come join us on the links at our inaugural AABE-Houston Charity Golf Classic- **Monday, November 12, 2012 at Quail Valley Golf Course, 2880 La Quinta Drive, Missouri City, TX 77459 - (281) 403-5920 – 10:00 AM Shotgun Start**

We are currently requesting your sponsorship to assist us in increasing our efforts to award more scholarships to deserving high school seniors. AABE targets its scholarship awards to students who are interested in pursuing careers in energy or related fields. We ask that you consider a tax deductible contribution to this event that supports such a worthy cause.

The Houston Chapter of AABE is one of eight chapters that comprise the Southwest Region of the organization. We welcome professionals from all energy and energy-related disciplines (oil, gas, electricity, nuclear, renewable, water, government, technology, and energy services). Some of the companies our membership represents include: **ExxonMobil, Chevron, BP, Schlumberger, GE, Marathon Oil, CenterPoint Energy, EP Energy, Shell Oil Company, Weatherford, KBR, Ama Love Consulting, Intellascient, Omni Pipe, Atlantic Petroleum, & others.**

One of AABE's **missions** is to help create sustainable communities by linking energy professionals, executives, and entrepreneurs with students and other members of the community. AABE provides these groups a pathway to learn more about the energy industry through activities such as mentoring, education, community service and networking.

Over the past few years, the Houston Chapter of AABE has awarded more than **\$50,000** in scholarships to more than **30 well deserving students** who are currently pursuing degrees in energy related fields. We have also assisted in mentoring youth; as well as helping them to increase capabilities in the Science, Technology, Engineering and Mathematics (STEM) areas.

Please review the attached sponsorship benefit information and select a level of participation. As a 501(c) (3) organization, all contributions to AABE-Houston Chapter are fully tax-deductible.

Together we can make a difference in creating sustainable communities into the next generation.

Kindest Regards,
