

Since 2002, Fair Chance has transformed the lives of DC children living in poverty. We provide youth-serving organizations with free, year-long, comprehensive leader development and capacity building support. We help them do what they do better, do more of it, and continue to thrive. Fair Chance has worked alongside 75 organizations working with more than 65,000 children, youth, and families. With Fair Chance's assistance, 90% of FC's partner organizations are still thriving. On average they have **DOUBLED** the number of children they serve.
