

Saturday, August 24, 2013
Columbia Metropolitan Convention Center

Featuring:
The Dick Goodwin Big Band
with Emcee - Dawndy Mercer Plank
Event time: 6:00 - 11:00 p.m.

Presented by:

**Independent Insurance Agents
& Brokers of South Carolina**

Make-A-Wish® South Carolina is thrilled to host our inaugural **Wish Ball** on Saturday, August 24th at the Columbia Metropolitan Convention Center. The evening includes an elegant dinner featuring music by The Dick Goodwin Big Band, dancing, and silent and live auctions. Most importantly, the *Wish Ball* is an evening of charitable giving toward granting the wishes of children with life-threatening medical conditions in our community. Throughout our state you can hear about inspiring stories and dozens of ways to get involved in making a difference in the life of a courageous child. Now is your opportunity to join us. Community support on all levels is very important to bringing our mission to the children who need us. Your involvement means that we can bring hope, strength and joy back into the lives of these children by providing them a magical wish experience.

The need...

In 2012, Make-A-Wish® South Carolina granted wishes of 142 children; however, there are more than 400 children each year diagnosed with life-threatening illnesses. At an average cost of \$6,500 per wish and 110 wishes currently pending, we need your help to make each wish a reality.

Our humble request...

We need your help to raise enough money to grant the wish of every eligible child. We humbly invite you to be a partner in our mission by becoming a *Wish Ball* sponsor. In addition to supporting our life-changing work for children, this is an incredible opportunity to partner with *Make-A-Wish®*, to not only market your brand but to make an impact on children right at home.

The ultimate reward....

Every dollar raised from the *Wish Ball* will grant the wishes of children in Midlands! A wish come true helps children feel stronger, more energetic, more willing and able to battle their life-threatening medical conditions. For many of them, it marks a turning point in their fight against their illnesses. For doctors, nurses and other health professionals, the wish experience works with medicine to make these children feel better, emotionally and even physically.

Thank you for your consideration. Your generous donation will contribute to the success of the evening and will most certainly further our mission.

Wish Ball
