

Michael J. Farrell

Michael J. Farrell “Mike” joined University Hospitals Case Medical Center (UHCMC) on October 15, 2007. Mr. Farrell’s responsibilities as President of UH Rainbow Babies & Children’s Hospital and MacDonald Women’s Hospital include revenue growth, development and operational management of both Rainbow and MacDonald. Mr. Farrell leads critical initiatives that drive quality outcomes, employee engagement, financial growth and patient satisfaction.

Under Mike’s leadership, UH Rainbow Babies & Children’s Hospital was ranked in all 10 children’s specialties by *U.S. News & World Report* in 2011, including 4th in the nation for neonatology. The hospital is also recognized for excellence in nursing care with a Magnet status award and earned a Beacon award for excellence in critical care nursing for the Pediatric Intensive Care Unit.

Prior to coming to UHCMC, Mr. Farrell served as Executive Vice President and Chief Operating Officer of The Children’s Hospital in Denver, Colorado. His accomplishments at Children’s included developing new satellite sub-specialty clinics and emergency services, creating new venture partnerships and overseeing new hospital construction.

Prior to The Children’s Hospital, Mr. Farrell served as Senior Vice President, Administrative Services at Children’s Healthcare of Atlanta and as Senior Vice President, Administrative Services at Scottish Rite Children’s Medical Center in Atlanta. He also has experience in the pharmaceutical industry, holding executive positions at both Solvay Pharmaceuticals, Inc., and SmithKline Beecham Pharmaceuticals. Mr. Farrell received his Bachelor of Science degree from Central Michigan University.
