CGLA Cabrini Green
 Legal Aid

Cabrini Green Legal Aid (CGLA), founded in 1973, seeks justice and mercy for those living in poverty by providing legal services that strengthen lives, families and communities. CGLA provides high-impact, free legal services to low-income Chicagoans who have had an encounter with the criminal justice system. As important, we provide social and direct access to the services provided by a significant cadre of collaborative partners. Our CGLA team of lawyers and social workers work collaboratively with social service agencies to gain access for our clients to needed social services and in turn, we provide legal and social assistance to our partners' clients, increasing the effectiveness and successfulness exponentially. For more information, please visit our website at: www.CGLA.net.
